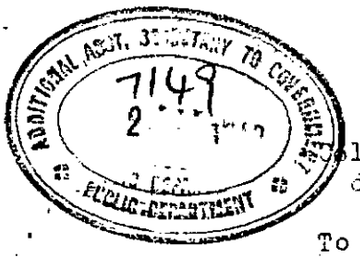
FOR MYSORE STATE

MISCELLANEOUS:



B.No. 17038/52 A.8

Collector's office, Bellary dated 28.11.52.

From

Sri.S.R. Sundaram I.A.S.,
Collector, Bellary.

To

The Deputy Secretary to Government,
Public (Ele) Department, Fort St.,
George, Madras.

Sir,

Sub:- ELECTORAL ROLLS - M.L.A. and House of the People - Annual revision 1952 - Bellary Taluk office - Appointment of one additional U.D. Clerk for work connected with Bellary parliamentary constituency - sanction for a period of three months requested.

Ref:- 1. G.O.Ms.No. 1964 Pub (Ele) Dept., dated 2.8.52.
2. G.O.Ms.No. 2464 Pub (Ele) Dept., dated 16.10.52.
3. Bellary Tahsildar's report in C.No. 4107/52 Ele- dated 5.11.52 and 22.11.52.

The Tahsildar, Bellary who is the Electoral Registration Officer for the Bellary Assembly constituency and the Bellary Parliamentary constituency, has applied to me in his references third cited above for the appointment of one additional Upper Division Clerk for election work in his office in view of the increased correspondence and other miscellaneous work on account of his having been appointed as the Ele. Registration Officer for the Bellary parliamentary constituency in the G.O. second cited above.

2. The following are the additional items of work which the Tahsildar Bellary has to do in the addition to the items of work which the other Tahsildars in the district have to do. (i) Bellary Assembly constituency (includes Bellary Taluk and Bellary Municipality) is an intensive area and the correspondence relating to the preparation and printing of the consolidated preliminary lists of amendments and payment of remuneration to enumerators is comparatively heavy in the Taluk office Bellary.

(ii) Bellary Assembly constituency is a bilingual area and the electoral rolls for this constituency will have to be prepared and printed in Telugu and Kannada languages. This involves lot of additional work to the present elections staff in the Taluk office Bellary. 53 section writers have been appointed to prepare the manuscripts of the consolidated lists of amendments, whose work has to be closely supervised to ensure quick and correct preparation of the lists of amendments.

(iii) The Tahsildar Bellary has been appointed as the Ele. Registration Officer for the Bellary Parliamentary constituency. He has to get all the sets of parliamentary electoral rolls from the Asst. Collector, Hospet (Previously E.R.O for the Bellary Parliamentary constituency), store them properly in his office and then arrange for the preliminary and final publication of these rolls along with the rolls for the component Assembly constituencies. The Bellary parliamentary constituency extends over seven Talukas in this district and the Tahsildar Bellary has to carry on correspondence with the seven Tahsildars till the final publication of parliamentary rolls is over ie till the end of February 1953.

(iv) Writing up of Form (V) notices in two languages viz. Telugu and Kannada for the Bellary Parliamentary constituency in the months of November and December 52 is an additional work to the Tahsildar Bellary.

(v) As Ele. Registration Officer for the Bellary parliamentary constituency, the Tahsildar Bellary has to consolidate and prepare final lists of alterations ordered by the Revising Authorities on the claims and objections filed in respect of the parliamentary constituency.

(vi) He has to arrange for the formation of the sets of electoral rolls for the parliamentary constituency along with those of the Bellary Assembly constituency.

3. In view of the above additional items of work which have to be attended to in the Taluk Office Bellary, I recommend that the Government may be pleased to accord sanction for the employment of one additional Upper Division Clerk for election work in the Taluk Office, Bellary for a period of three months from the date of appointment. If request orders may be communicated to me as early as possible to enable the additional U.D.C. in the Taluk Office Bellary to enable the Revenue Staff to push through the election work according to the programme fixed by the Government.

Memo no 7149/52-1 Dated 11/12/52

Electoral Rolls - M.L.A + House of the people - Bellary taluk Office - Appointment of an addl U.D. Clerk

Ref:- From the Collector of Bellary C.no: 17038/52 A & dt. 28 "

The Coller. of Bellary is informed that with reference to the sanction accorded in para 13(4) of the E.R (A+P) (Annual Revision) Circular no: 1 (S.O.P. no: 1964 P(2) dt 2.8.1952 for the employment of section writers for any voluminous or scriptory work, section writers can be employed for the writing up of the Rlm. of amendments and formation of sets of electoral Rolls and therefore the Govt see no strong case for the employment of an addl U.D. Clerk in the Bellary taluk office

To the Coller. of Bellary

Public (Elections) Dept

Electoral Rolls – M.d.A.t House of the People – Annual Revision, 1952 – Bellary Taluk Office – Appointment of addl. U.D. Clerk

Ref:– From the Collr. of Bellary C. no: 17038/52 A.8. dt. 28/11

Please see the letter from the Collr. of Bellary in the c.f. The Collr. reports that according to the Revised notification, the Tahdr, Bellary has been appointed as the E.R.O of the Bellary parliamentary Constituency and the additional work as mentioned in the items (i) to (vii) has to be done by this Tahdr in addition to the work the other Tahdrs of his dt will have to do and so he requests orders of Govt. for the employment of an additional U.D. Clerk in the Bellary Taluk office for 3 months from the date of appointment.

2. It is submitted that special staff of one E.D.T, one U.D. Clerk, one typist & 2 peons has been sanctioned for each taluk office for the work connected with the annual Revision of the rolls this year. Originally the R.D.Os were the E.R.Os for the parliamentary Constituencies & Recently the Tahdrs who are having Revenue jurisdiction over the largest portion of the parliamentary Constituency have been appointed as E.R.Os. Thus the Tahdr, Bellary has been appointed as the E.R.O. of the Bellary parliamentary Constituency and the additional work involved out of this appointment will not be too much as he will have to only to consolidate the final list of alterations in respect of the Component Assembly Constituencies. Further there are other Tahdrs also in other dts who have been appointed as the E.R.O for parliamentary Constituencies in addition to an Assembly Constituency and no other collrs have asked for addl. staff for taluk offices. In the above circumstances there is no strong case for sanctioning the additional staff for the Bellary taluk office. For orders.

3.12.52

The request may be turned down.

3.12.52

DS (K)

I think we should approach this question from the

2

point of view whether additional work has been thrown on this Tahsildar as a result of his appointment as E.R.O. for the Parliamentary Constituency, and whether this additional work requires additional staff. The fact that other Taluk in similar situations have not applied for additional staff, does not appear to be a strong argument at all, because if the work justifies the staff, then the staff can be granted to whoever applies. If I am not mistaken this is the view of Fin. on such matters. This may please be re-examined from this point of view.

D.S.
4 Dec 52

Please see the note of D.S. (E) on pp.1-2 ~~above~~ above.

2. The Collector of Bellary requests sanction for an additional clerk in the Bellary Taluk Office ~~on the~~ grounds set out in paragraph 2 of his letter in the c.f., on account of the appointment of the Tahsildar of Bellary as the E.R.O. of the Bellary Parliamentary Constituency in addition to his being the E.R.O. of the Bellary Assembly Constituency. The grounds are dealt with seriatim below:-

(i) The item of work given here relates only to the preparation and printing of the Assembly rolls. Though the several stages in the revision, namely, preliminary publication, sittings of the Revising Authority and final publication, have to be done separately for the Parliamentary and Assembly constituencies, it is only the Assembly roll that is adopted as the relevant part of the Parliamentary roll and there is no additional work involved in the ~~prepration~~ preparation and printing of the Parliamentary rolls.

(ii) It is stated that a lot of additional work is involved because the Bellary Assembly Constituency is a bilingual area

and the rolls have to be prepared and printed in Telugu and Kannada. The preparation of the rolls in two languages will involve the appointment of a larger number of Section Writers only and there seems to be no justification for the employment of larger supervisory staff for checking the work of the (Section writers) ~~members~~.

(iii) It is stated that, as the Bellary Parliamentary Constituency extends over seven taluks, ~~and~~ the Tahsildar, Bellary, has to carry on correspondence with the seven Tahsildars till the final publication of the Parliamentary rolls is over. The E.R.Os. of the component Assembly constituencies will be sending 300 copies of the rolls relating to those constituencies to the E.R.Os. of the Parliamentary constituencies and the E.R.Os. of the Parliamentary constituencies have merely to combine the rolls of the component constituencies. It does not seem that in this operation there will be heavy correspondence requiring the appointment of additional staff.

cf para 6(6) on pps 2-3 at (D)

cf para 4 on p 6 at (P)

(iv) It is stated that writing up of Form V notices in two languages, Telugu and Kannada, for the Bellary Parliamentary Constituency is an additional work to the Tahsildar of Bellary. As the Tahsildar can employ Section Writers for any voluminous scriptory work, Section Writers can be employed for this work, which will not require additional clerical staff.

(v) As all claims and objections filed will generally relate to the Assembly Constituency, there will be practically no claims and objections in respect of the Parliamentary Constituencies. Further, according to the Government's instructions, the order on claims and objections relating to the Parliamentary constituencies ~~should be communicated to the E.R.Os. of the concerned component~~ will also apply to the roll for the concerned Assembly constituencies ~~so~~ also unless otherwise ordered and they ~~that they~~ would be included in the final lists of amendments relating to the Assembly constituencies

cf. para 10(6) on p.5 of (D).

~~as well~~. There is therefore no separate work involved in regard to the Parliamentary constituencies under this item.

(vi) The work relating to ~~for~~ the ~~arrangement and~~ formation of the sets of electoral rolls for the Parliamentary constituencies will be done by Section Writers and it ~~the work~~ will not involve the appointment of additional staff.

3. It will be seen from ~~the~~ above that the work, involved consequent to the appointment of the Tahsildar as the E.R.O. of the Parliamentary Constituency also, is only nominal and there seems to be no justification for the employment of an additional U.D. clerk as requested by the Collector. Further, the staff already sanctioned, namely, 1 Election Deputy Tahsildar, 1 U.D.clerk, 1 Typist and 2 Peons is quite liberal and it seems sufficient for the extra work involved in respect of the Parliamentary Constituency also.

For orders.

9/12/52

9.12.52

I am afraid that there is no case for the sanction of an additional U.D.C in the Taluk office.

9/12/52 ~~D.S.(E)~~

In turning down the request, perhaps we can call the attention of the ~~Joint~~ Collr. to the provision for employing section writers for scripting work.

10 Dec 52

With reference to the orders on P4 ante, a draft memo is submitted for approval.
